GET BIG DISCOUNTS WITH THE School District Referral Program

Bring the “Inner Strength” message to your students! Spread the message to other schools! Save big on your speaker’s fee!

I’ve created the School District Referral Program as a way to reward my clients for providing referrals to other schools.

Under this program, I will discount your fee from \$5,000 down to \$3,000 and offer you an additional \$300 off for each referral that becomes an engagement. It is as simple as sending a few emails to principals and making a few calls. There is no limit to your discount! If you refer 10 schools that bring me in, your speech is free!
